Mahadev Peak Trek via Lidwaas arranged by Adventure experts

Start Early morning from Resort and hit the trek right from there . A day long trek upto Lidwaas passes through amazing passes and pastures alongside the stream which makes it a perfect Nature trek. For the expert trekkers a same day return is possible , however an overnight stopover at Lidwaas and a next morning climb to Mahadev Peak (3966 m) 13000 ft , and day two return to the resort for the overnight stay. All trekking arrangements will be done by our expert team with advance planning required as per guest request.

Maamneeth Meadow Trek : Just 2 hours trek from Cherrytree , at an altitude of about 1700 meters a beautiful meadow that offers amazing view of Srinagar city and Dachigam National Park. A short trek is organised by our experts where we arrange packed lunch for this one day trek .

Dhara River visit: A short trek just 10 minutes walk from Cherrytree , here a dip in the river natural baths is common among people or simple relax alongside the river and enjoy a picnic basket arranged from Cherrytree while on a nature walk by the river.

Trekking & Trips to far off Lakes & Lands of Kashmir

With our experts and guides we can arrange trekking and tours to various parts of Kashmir valley . High Altitude Lakes and far off lands in famous and unknown tourist destinations.

Enjoyable Evenings

Enjoyable evening at the lawns next to the stream is most relaxing. A bonfire with barbeque is an add-on to the jungle adventure.
